PRESIDENTS REPORT FOR NOV. 21st BULLETIN.

The ongoing drought and recent devastating bushfires reminds us all of how precarious it is for those who live on the land.

Last week I flew from Albion Park to Brisbane and saw the bushfire catastrophe first hand.

The extent of the destruction is overwhelming.

Towns have been wiped out and lives lost.

We must help.

At our Board Meeting last week it was resolved that Ken Hutt who looks after disaster relief for our club will recommend where best our relief funds can be best distributed.

Haseena has been approached by Bob Willetts, the Principal at Berry school, and together they are working out a way to help those children who have not only lost their schools but also their precious musical instruments.

It was great to have Tom Darby from the Berry Men's Shed as our guest speaker last week. His shed were pioneers in the Men's Shed concept and it's terrific that we have such a great community facility right here in our village for everyone to use. Well done Tom.

Don't forget this Thursday we have our District Governor visiting our meeting and it would be great to see as many members as possible at the meeting to hear Peter Ford's words of wisdom

A special thanks to Haseena and Jennifer for resurrecting the fabulous Berry Christmas Street Parade. These two have shown tremendous tenacity in getting an originally reluctant community to now be enthusiastic. With more than 30 groups/floats taking part the Rotary Christmas Street Parade will help bring back the joy of Christmas to our fabulous village. Cheers, Pres. Terry.

NEXT WEEK'S EDITION WILL BE AN ABSOLUTE CRACKER, PP Peter Stinson is **doing** it.

My girlfriend phoned me the other day and said, "Come on over; nobody's home." I went over, nobody was home.

The Back Page,
Absolutely No Taste & No apologies
Some times they're not even offensive or funny
And this isn't one of those times!!!

There was only one response to the identification of the happily married couple shown on the back page of last weeks Bulletin. Readership must be slipping. I'll give it another shot.
